PERSONAL MISSION

We need learning as much as food, sleep and exercise. My experience comes from years spent in formal and non-formal education and I was involved in everything from tiny nonprofits to large corporations. I am here to help you use innovative education to grow your career and the effectiveness of your team.

MY SUCCESS IN BUSINESS

Innovative education consultant

Working with companies and edupreneurs since 2020.

Instructional Design in creating a video course with Zumtobel group to help their internal education efforts.

Learning Managements System with Wiener Städtische designing onboarding system for sales representatives.

Tailor made train-the-trainer seminar and online mentoring with Curaden aiding an international team of educators during Covid19 crisis.

Creating educational materials with Erste bank for their Financial literacy program and the children book.
